

## Skate Milwaukee 2010 Seminars

You may attend the following seminars with the credentials you received upon check in. Registered participants will receive one competitor credential and one chaperone credential. Participating coaches will receive their own credentials upon check in.

### **"Updates on Enhancing Your Component Marks"**

**Moderators:** Charlie Cyr, Joe Inman, and Gale Tanger

The 3 presenters are all ISU Championship level Referees, Judges, and Technical Controllers. They have recently authored current component materials and DVDs for the International Skating Union.

**Thursday July 8th**  
**7:00PM-8:00PM**

**The seminar will cover the basic principles of the 5 components, and how to achieve higher marks for this part of the scoring of a competitive program.**

---

### **"Understanding the New ISU Technical Changes in Rules and Clarifications of those Rules"**

**Moderator:** Special guest official Alexander Lakernik

Mr. Lakernik is the Chair of the Singles and Pairs Technical Committee for the International Skating Union. Mr. Lakernik is a professor of mathematics at the University of Moscow. He is an ISU Championship Referee, Judge, and Technical Controller. Mr. Lakernik and his committee are charged with developing the direction of Singles and Pair skating at the World level.

**Friday July 9th**  
**6:00PM-7:00PM**

**The seminar will cover the direction of each discipline, and the technical elements for competition. He will explain the work of his committee, and how he and his committee work to advance the sport with careful observation, feedback, and adjustment of rules. Current rule changes, as well as an explanation of levels of difficulty will be discussed.**

CHECK [wisconsinfsc.org](http://wisconsinfsc.org) FOR TIME AND LOCATION INFORMATION FOR ALL SPECIAL EVENTS BEING OFFERED DURING THE COMPETITION. THE INFORMATION WILL ALSO BE POSTED ON THE OFFICIAL MESSAGE BOARD AT THE COMPETITION.
